# What we do

**ElectricHummingbird** is a Unique Creative Technology Agency founded in 2011. Our superbly talented team of multi-disciplinary Makers, Thinkers & Doers are based on the River Thames in Buckinghamshire just outside London.

We are growing rapidly whilst maintaining our core values of excellence, integrity, craftsmanship, automation, innovation and attention to detail. The team are experts in Responsive Web Design, although as you'll see from our portfolio; we help businesses with a much wider range of services across:

- 1. Websites & Apps**
- 2. Startup Acceleration**
- 3. Marketing & Advertising**
- 4. Creative Services**

Known as EH to our friends; we are **Creative Technology Delivered™**

## 1. Discover

Gaining a detailed understanding of project objectives, brand, technology, audience, competition & content in order to form meaningful insights. Discovery phases provide the parameters within which new concepts can emerge; generate highly accurate Quotes or SoW's (Statement of Work) Docs and are often billable as a separate entity if desired.

## 2. Create

Applied creative techniques including IA (Information Architecture) and UX (User Experience Design & Wireframing) and a dash of inspirational Design. Coupling this process with EH's rock solid understanding of technology and fluid visual prototyping skills, allows us to come up with well considered, elegant, concise solutions to your problems.

## 3. Deliver

We use tried and tested Agile development methodologies alongside the latest cutting edge tools, DevOps stack & process automation. Our team are uniquely skilled in a wide range of technologies including but not limited to HTML5/CSS, Node.js, PHP, Rails, iOS, Flash, MySQL, Mongo, Vagrant & Capistrano. We simply use the best tools for the job.

## 4. Optimise

Not just routine maintenance but data driven performance tuning, multivariant testing, iterative feedback and statistical analysis often tied in with SEO & Social optimisation. EH are a growing choice for Entrepreneurs looking to partner with us on large Startup, App, CMS & Community projects with a long shelf life and a requirements schedule to match.

The screenshot shows the homepage of the Dragon Dictate website. At the top, there's a navigation bar with the Dragon logo, followed by the words "Fast Accurate Personalised Empowering" and a "Buy Now" button. Below the navigation, a large image of a man with glasses smiling is overlaid with a green circular graphic containing a microphone icon. Text on the page includes "3x faster than typing" and a quote from James Smith (Creative Director). Another section features a woman smiling with the text "Capture your thoughts and ideas as fast as they come to you". A third section shows a woman with the text "99% accurate out of the box" and a quote from Laura Holmes (Author). At the bottom, there's a screenshot of a Mac OS X interface showing the Dragon Recognition feature.

The screenshot shows a product page for the Dragon Dictate Bluetooth version. The top part features a woman smiling with the text "Work comfortably and freely" and a quote from Helen Chan (Fashion Editor). Below her is another woman with the text "Inspiration doesn't always come at your desk" and a quote from Helen Chan. The page then splits into two options: "Download £103.99" and "Physical £103.99". The "Physical" option includes a note about getting a physical boxed copy. A large green circle on the right highlights the "Bluetooth" version with the price "£229.99". At the bottom, a green banner states "Roam free from your desk as you dictate. Select this option physical boxed copy".

Just to say it was great to meet you at the Excel Show and thank you for your interest in our Kentisbury Inspiration Lodge. We are very proud of this unit and were really pleased to see the excitement shared by those viewing it at the show. The site at Kentisbury grange is very exclusive with only 25 lodges in total. We released this value at Excel and are pleased to announce the first 11 units have been sold. We anticipate the Kentisbury Grange will sell out fast.
